

CHALLENGING TIME(S):

activities to untangle change

9.30 - 16.30 | Wednesday, 3 October 2012 | The Building Centre, London

af»

This team-based event will challenge participants to think, do and reflect on the issue of adaptability through a series of discussion exercises, design problems and presentations. The activities will explore the following questions:

01 thinking

- What is adaptability?
- What is (and isn't) adaptable?
- What do people say about adaptability?

Participating teams:

3D Reid
Adams Kara Taylor
AHMM w/ Derwent London & Jackson Cole
Ash Sakula w/ Mae & Buro 4

02 doing

- How do you interpret the need for adaptability?
- How does the building respond to this need?
- How do changes escalate?

CBRE w/ Allied London & Woods Bagot
CGL Architects & Designers
DRDH Architects
Igloo/ Blueprint

03 reflecting

- Why did you design it that way?
- What are the costs and benefits?
- How would you do it differently next time?
